

The founder of Disney, Walt Disney, was raised and nurtured in the occult.

He was a member of the Masonic Order of DeMolay as a teenager.

Here he is said to have learned all the teachings of the order, which is based on magic.

That is why Disney movies are primarily based on magic and witchcraft.

Movies like Fantasia, Mary Poppins, Alice in Wonderland, Cinderella, Sword in the Stone and Maleficent are all based on occult themes.

Many of the popular movies like Bambi, Little Mermaid, Aladdin, Frozen and various TV shows on the Disney Channel have subliminal messages in them to get kids curious about fornication and homosexuality at a young age.

Secret societies like Freemasonry at the 33rd degree level and various occult religions believe that Lucifer is god.

God had King Solomon in the Holy Bible write "Train up a child in the way he should go: and when he is old, he will not depart from it" (Proverbs 22:6)

What are you and your family training yourselves in?

The occult and mystical teachings are not real. It is false knowledge.

The Truth is that Jesus Christ is God and that he wants to protect you from the perversions of this world.

## Pray to Jesus Christ

*"I want to know the Truth. Please show me. Teach my heart, mind and soul. I repent of my sins and evil. Cleanse me I want to believe in you Jesus Christ."*
