What is the spirit of Christmas?  
Is Santa Claus a real person?  
Was Jesus Christ born on December 25th?

The answers to these questions will surprise you.  
The origins of Christmas began about 5,000 years ago with Pagans worshipping Lucifer.  
It was a religious festival where people drank a lot of alcohol, cross dressed and even had human sacrifices.

About 2,000 years ago when people realized Jesus Christ was the true God of the Universe they left paganism and became Christian.

Satan merged paganism and Christianity and came up with the Roman Catholic Church. Santa Claus, or Old Nick, is literally Lucifer. For more information watch "The Spirit of Christmas" type into phone internet browser: [bit.ly/christmasdoc](http://bit.ly/christmasdoc)

Jesus Christ was not born on December 25th and no where in the Bible does God mention the date of his birth. The Spirit of Christmas is not of Jesus Christ... it is Pagan with origins in the occult and Luciferianism

God had apostle Paul write in Ephesians 5:11

*And have no fellowship with the unfruitful works of darkness, but rather reprove them.*

The Truth of Jesus Christ can not be mixed with lies and evil rituals of the world.

## Pray to Jesus Christ

*"I want to know the Truth. Please show me. Teach my heart, mind and soul. I repent of my sins and evil. Cleanse me I want to believe in you Jesus Christ."*

**If you mean it, he will save you! Now, open up the Holy Bible (KJV preferred) and start reading.**
